

Project Engineer

Town of Natick

The Town of Natick is seeking to hire an innovative dynamic individual to fill the position of Project Engineer in our Department of Public Works. This position provides civil engineering and traffic engineering services for the Town and serves as project manager for the work of the Engineering Division of the Department of Public Works.

Qualified candidates will have a four year college degree in engineering, construction, or related field, five years of civil engineering experience. Massachusetts registration as a Professional Engineer is desired.

Please mail an application, resume, cover letter, and three professional references to the Director of Human Resources, Town of Natick, 13 East Central Street, Natick, MA 01760 or by email to dblondiet@natickma.org
