

# TOWN OF SOUTH KINGSTOWN JOB POSTING

## Electrician Wastewater Division

The Town has an opportunity for an experienced Electrician to join the team at the Wastewater Division. The Electrician is responsible for the maintenance and repair of electrical systems, equipment, and controls. Under the general direction of the Wastewater Superintendent, this position performs work according to standard trade practices and requires the application of considerable judgment in diagnosing difficult problems and determining appropriate corrective action. The candidate must have working knowledge of testing equipment such as multi meters, amp meters, electrical insulation, test equipment and circuit locators. Considerable knowledge of high voltage and emergency generators as well as experience in the installation and repair of rigid conduit and explosion proof rated devices is necessary.

The ideal candidate will have a high school diploma or GED with three years of industrial electrical experience. The candidate must have a valid Rhode Island Journeyman B Electrician license issued by Rhode Island Department of Labor and Training; however a valid Rhode Island Master Electrician license is preferred. A valid state driver's license or ability to obtain prior to employment is required and a Grade 1 Wastewater Operators License issued by the Rhode Island Board of Certification of Wastewater treatment Facilities is required within twelve months of employment. This position is considered essential, and must be available for all shifts, call backs, and during emergency events.

The starting salary for this NonUnion 40-hour per week position, is an annual salary of \$54,076 or \$25.99 per hour and upon successful completion of a six month probation period, increases to \$56,416 or \$27.12 per hour, and includes a full benefit package. To apply, please submit an application, cover letter, and resume to: [jobs@southkingstownri.com](mailto:jobs@southkingstownri.com) or by hand or mail to Personnel Administrator, Town Hall, 180 High Street, Wakefield, RI 02879. Applications are available for download on the Town's website [www.southkingstownri.com](http://www.southkingstownri.com), and hard copies are available at Town Hall. Application materials will be accepted until Thursday, January 25, 2018.
