

TOWN OF SOUTH KINGSTOWN JOB POSTING

Public Services Department Town Engineer

The Town of South Kingstown, Rhode Island, a seaside community of approximately 30,000 residents has an opportunity for an experienced professional engineer to join our Public Services team. In this position you would be responsible for engineering review, oversight and inspection of public and privately owned land development projects within the Town, assisting and overseeing the design and construction of municipally owned projects, and providing technical assistance to all appropriate municipal departments and divisions including Planning, Parks and Recreation, Water, Wastewater, Solid Waste and Streets and Highway Divisions. The Town Engineer attends various town board meetings and public hearings as needed.

Specifically, the Town Engineer prepares municipal design projects including transportation and storm water improvements; oversees Public Services capital improvement projects; supervises land and construction surveys; oversees, coordinates and resolves right-of-way complaints which require corrective design resolution, including but not limited to hazard mitigation, storm water drainage, sidewalks, etc; oversees preparation and enforcement of technical standards for transportation, storm water and utilities; oversees and assists engineering staff personnel in the preparation of equipment and construction bidding plans and specifications; prepares written reports, studies and correspondence associated with departmental duties and supervises the departmental engineering staff. They are also responsible for departmental regulatory compliance, including Phase 2 storm water management and reviews and approves right-of-way and land development permit applications.

Qualified candidates will be self-motivated, detail orientated and possess a RI Professional Engineering license and 5 years of experience, preferably some of which are in a municipal setting; a thorough knowledge of civil engineering principles, practices and methods; effective communication skills, both orally and written, and the ability to communicate complex technical information to employees, Town officials, consultants, other governmental agency representatives and the general public.

This nonunion full time position has a salary range of \$84,829-\$94,998 and includes a comprehensive benefit package as detailed within the Town's Non-Union Employee Benefit Summary. To apply, please submit a required application, cover letter, and resume to: jobs@southkingstownri.com or by hand or mail to Personnel Administrator, Town Hall, 180 High Street, Wakefield, RI 02879. Applications are available for download on the Town's website www.southkingstownri.com, and hard copies are available at Town Hall. Application materials will be accepted until Monday February 26th, 2018.
