<b>PACKAGE VALUE ADD</b>			<b>\$750</b>	<b>\$500</b>	<b>\$300</b>

For the 2022 contributors' program, benefits have been added to the program based on input from our existing sponsorship committee. The value chart above provides potential sponsors with an understanding of the value at each sponsorship level.

The benefits for 2022 will include:

### Project Profile in Chapter Chatter

- This is an opportunity for your company to highlight an existing or recently completed project in the chapter chatter. This is a great opportunity for your company to show off some of your recent work. Gold will receive a quarter page, and silver will receive an eighth of a page to highlight your project. This benefit is not offered as a la carte.

Note: Guidelines will be provided to those at these sponsorship levels.

### Logo Display on Spring/Fall Conference Screens

- Gold and Silver level sponsor logos will be displayed on screens in a revolving slide show to recognize these high-level contributors. You will be requested to submit your company logo prior to the spring conference. This benefit is not offered as a la carte.

For questions on sponsor benefits, please contact Sponsor Committee Chair, Conrad Leger (cwl@envpartners.com)
